Folhas de Katakana

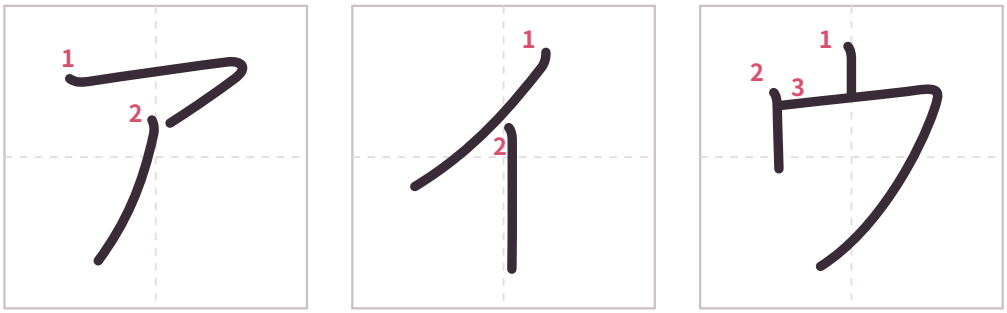

Unirversos · Trilha autoguiada · Quadrado Elemental: ☒ Terra, materializar com a mão

Como usar

1. Comece pela tabela com a ordem dos traços: os números rosa mostram por onde começar.
2. Em cada folha de linha, olhe o passo a passo, cubra as 3 letras-guia e depois escreva sozinho.
3. A cruz pontilhada ajuda a deixar a letra no meio do quadrado, nem grande nem pequena.
4. No fim, a tabela para cobrir revisa tudo de uma vez.

Esta versão: guia clara · para canhotos (modelo à direita).

No site: unirversos.com/idiomas/katakana/ (com áudio e animação dos traços).
